

## Paper Grades & Feedback

How to view paper grades and feedback

To see all the grades for a course, how the grade categories are weighted, and a running cumulative grade for the course:

1. Log in to the student page ([llc.studyplace.us/student](http://llc.studyplace.us/student)) or family page ([llc.studyplace.us/family](http://llc.studyplace.us/family)).
2. **Grades** icon.
3. Select a class on the left side.
4. **Grades** tab.
5. To see detailed feedback for each grade, select the graded item and click **Details and Feedback** at the bottom of the window.
6. To print a **Grade Report**, use the **Print** button on the **Grades** tab, and then your browser's print function. (Note that some use their system's "print as PDF" to generate a PDF document from this report.)
