

Year 3 Rhetoric Literature

Required Book List

A book list that includes weeks used will be provided to enrolled students.

This list may change slightly to replace out of print books when Tapestry of Grace global updates are published.

LLC booklists and assignments are set at the beginning of the summer, before the school year begins. I recommend that you purchase or arrange to borrow all the books you will need during the summer, so your student will have the books they need for this class on their shelves when they need them. Although you could substitute them with another edition, I STRONGLY RECOMMEND those listed below as they will co-ordinate with your student's assignments and have been selected for the clarity of their translation, annotations, and commentary which will enhance your students learning. If books should go out of print before you purchase them, you will be responsible to consult the book update chart at the Tapestry of Grace website for the replacement books and new reading assignments.
